LOCAL BUSINESS PAYING IT FORWARD BY SUPPORTING VITAL PROGRAMS AT ST. JOSEPH HOSPITAL

“Actions, not words, by paying it forward is what we hope our future generations will follow,” shared Ferari Domingo, one of the three founders of Domingo Elias & Vu, a Prof. Law Corporation in Brea. It is with this motto that Kim, Vivian and Ferari began their unwavering support of St. Joseph Hospital.

Domingo Elias & Vu continue their support of the Emergency Care Center at St. Joseph Hospital along with The Center for Cancer Prevention and Treatment as sponsors of the hospital's Golf Tournaments and annual Celebration galas. Ferari adds “We aim to help improve the quality of life for every person who comes through St. Joseph Hospital doors and elevate the communities the hospital serves. There is no greater gift than that of good health.”

SEMPER FIDELIS — KEEPING THE FAITH

Valerie and Geoff Fearn

St. Joseph Hospital holds a special place in Geoff's and Valerie Fearn's hearts. “Our family is so grateful to the caregivers who have treated our family. The compassionate and lifesaving care is exceptional at St. Joseph Hospital.”

Geoff and Valerie have supported many different areas of the hospital, including Cancer Services,

Emergency Care Center, and Nursing Excellence.

“Val and I wanted to make a meaningful gift to the hospital, honor my father, and his life motto of *Semper Fidelis* all at the same time. Giving a gift to the Emergency Care Center at St. Joseph Hospital and having my father's name on The Center for Cancer Prevention and Treatment main lobby wall allowed us to do that.

The generous gift made by the Fearn will help the Emergency Care Center continue transforming the center, improve the patient flow, and the patient experience.

MARCELO FERRUFINO BRIGHTENS WAITING AND RECOVERY TIME FOR CHILDREN UNDERGOING RADIATION THERAPY

Marcelo Ferrufino and Viki Barie, Director of Major Gifts at St. Joseph Hospital

Marcelo Ferrufino, eight years old and a student in second grade, was given a class project and \$5 to help someone in need.

Marcelo chose pediatric patients who are experiencing radiation therapy at St. Joseph Hospital. He purchased coloring books, crayons, colored pencils, and pens to help them pass the time during their waiting and recovery.

After seeing how he could make a difference in another child's life, Marcelo has

continued to generously give, most recently by gifting books for pediatric patients to read before treatment and during recovery.

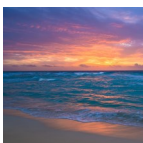

Cancer Services is a priority of the hospital's *Innovating for a Healthier Community* comprehensive campaign. To learn more about how gifts like Marcelo's make an impact, please contact the Foundation at 714-347-7900 or email foundation@stjoe.org.

JIM AND KATHY GOUGH USE A SAVVY PLANNED GIVING STRATEGY TO BENEFIT ST. JOSEPH HOSPITAL WITHOUT GIVING UP THEIR RETIREMENT INCOME

After retirement, Jim Gough answered a volunteer advertisement from St. Joseph Hospital. He came to love the hospital and the people so much that Kathy began volunteering as well.

Recently, Jim and Kathy began speaking to Phil Barker, Director of Gift Planning, about strategies that would be best suited for them. The Goughs held a partnership interest in an apartment complex and they felt that it was time to move out of the investment. With Phil's help, Jim and Kathy chose a Charitable Remainder Flip Trust. The interest was transferred to the trust which allowed them to receive a charitable income tax deduction for the value and they continue to receive the rent income from the complex. Looking ahead, when the complex sells the proceeds will go into the trust, avoiding capital gains taxes. It will be reinvested for continued growth while Jim and Kathy receive unitrust income payments quarterly for the rest of their lives.

For more information on how estate and gift planning can support and sustain St. Joseph Hospital's vital programs, please contact Phil Barker at the Foundation by calling 714-347-7900 or visit www.sjogift.org.
