Estate Gift Supports St. Joseph Hospital

Melvin Schwartz, MD is no stranger to St. Joseph Hospital of Orange: he's been a dedicated and compassionate caregiver for decades and is highly respected amongst his peers. Dr. Schwartz and his wife, Myrna, are long-time residents of this very community. The couple have not only conveyed their affection and enthusiasm for the Hospital, but continue to demonstrate their friendship and support by establishing a legacy through a charitable gift.

In making a gift, Dr. and Mrs. Schwartz enhanced their personal financial security by establishing a life estate reserve charitable gift annuity. This creative giving vehicle provides for the donor to transfer their home to the hospital and remain there for the rest of their lives. In return, they receive a current tax deduction and an annuity for their lives. This gift will make a positive impact on the Hospital and the communities we serve — an impact far beyond what they could have envisioned. We are deeply grateful for the Schwartz's extraordinary generosity.

NINETY YEAR
Celebration

MARSHA MOELLER PROUDLY SUPPORTS CELEBRATION 2019
PRESENTED BY THE GOODING-BARRY AND IMMELL FAMILIES
CO-CHAired BY WARREN D. JOHNSTON, MD AND MARSHA MOELLER

We are excited to announce the St. Joseph Hospital's annual Celebration will be held on **Saturday, October 12 at the City National Grove of Anaheim**. Guests will enjoy a fun evening which will include dining experiences, silent and live auctions, the Spirit of St. Joseph Award presentation to Evelyn Freed and Robert Stauffer along with a **live performance by Pat Benatar and Neil Giraldo**.

As we celebrate the 90th Anniversary of the opening of St. Joseph Hospital, we look back and recognize the many nurses that have provided comprehensive, competent and compassionate care to thousands in our community. To honor this milestone and our expert nurses, proceeds will support the Nursing Center of Excellence and 90 years of healing. We hope you will join us!

Nursing Center of Excellence Boosted Again by The Hamlins and Guaranty Chevrolet

Guaranty Chevrolet owners, Bruce and Cindy Hamlin, are no strangers to philanthropy. They and their family have supported St. Joseph Hospital since 2006.

Last year, St. Joseph Hospital benefited from Guaranty Chevrolet's generosity when we received their donation of a 2018 Chevy Equinox SUV. Raffle ticket sales were impressive -- \$45,500 was raised as a result of their gift! To the delight of many, the 2018 winner of the shiny new SUV was a St. Joseph Hospital nurse, Judy Doty, who has worked in our Mother-Baby unit for 44 years.

As a part of our annual gala Celebration, nurses and other caregivers are given the opportunity to sell raffle tickets for a chance to win the sought-after vehicle. Traditionally, each year we designate the proceeds from the ticket sales toward St. Joseph Hospital's Nursing Center of Excellence which provides continuing education assistance and other essential programs supporting our exceptional nurses.

For the 2019 Celebration gala, Guaranty Chevrolet has announced their gift of another new Chevy Equinox. We look forward to another opportunity for successful fundraising to support our Nursing Center of Excellence, made possible through the generosity of the Hamlins.
