DEAR NEIGHBOR,

We are excited to announce that this year's Celebration will once again be held in the comfort of your very own home, surrounded by your friends and family. This year's Celebration: *Embracing a Healthy Tomorrow* will be held on **Saturday, October 9, 2021**. Your guests will be treated to entertainment, dinner, an online auction and much more!

Every year, the number of patients we see increases, as does our aging population, many of whom have multiple health issues. Providence St. Joseph Hospital is committed to providing uncompromised quality of care. To meet the community's growing need for our services, we are prioritizing an initiative that will add a special care unit that will offer an additional twenty beds with a higher level of care. To prepare for the future, proceeds of our 2021 Celebration will support the new Progressive Care Unit.

The Progressive Care Unit will allow future patients the comfort of knowing that, should they need it, we have a unit with highly trained caregivers who will be able to provide excellent care for them – body, mind and soul.

We'll have a supportive care services unit within the Progressive Care Unit. This will include palliative and hospice support for patients and families in need. Today, we need these beds more than ever.

Whether you choose to support Providence St. Joseph Hospital's passion to serve our community as a sponsor or make an outright gift to help us underwrite the cost of the Progressive Care Unit, you'll help ensure the best care possible for the *Dear Neighbor*.

Thank you for your thoughtful consideration and support.

We look forward to celebrating with you.

Sincerely,

Your Co-Chairs

Alex Zand, MD, and Neerja Zand, MD

Stay Home. Stay Safe. #SJ0Strong
