

# 2022 GRATITUDE REPORT FINANCIAL SUMMARY

## YOUR IMPACT

Thanks to your generosity,

**\$65,256,865**

was raised in 2022 to transform patient care at Providence St. Joseph Hospital. We are grateful for the community's support that made these enhancements possible, allowing the hospital to continue excelling as a leader in patient care.

**\$2,154,434**

### SURGICAL INNOVATIONS

Enhanced operating rooms with the latest surgical technology that improve patient results, operational safety, imaging and navigation. The systems acquired to achieve these outcomes include Trios® Surgical Table, AquaBeam® Robotic Therapy, Cios® Spin C-arm, NuVasive® Spine Pulse, Xoft® and Mako® Total Hip 4.0.

**\$403,977**

### EMPLOYEE WELLNESS

In support of our caregivers' well-being, we provided them with wellness kits, jackets and celebratory events, such as Culture of Caring, to encourage and thank them for their endless dedication to our community.

**\$330,000**

### TABLO® HEMODIALYSIS SYSTEM

A first-of-its-kind, fully integrated system for Adaptive Dialysis, Tablo® is designed with wireless connectivity, touchscreen guidance, animations, and step-by-step instructions to offer a better experience for dialysis treatments.

**\$148,633**

### HYPERBARIC CHAMBER FOR WOUND CARE

Using 100% oxygen at pressures above regular atmospheric pressure, this therapy delivers the concentrated oxygen needed for wound healing directly into the body's fluids so it can thoroughly permeate areas where circulation has become reduced or blocked.

**\$143,672**

### COMMUNITY HEALTH INVESTMENT

Expanded comprehensive medical, dental and vision services for the low-income, underinsured/uninsured population at La Amistad Health Center, the hospital's first community clinic.

**\$66,505**

### ADVANCING CLINICAL EXCELLENCE

Awarded caregivers opportunities to further their nursing education through various academic conferences, symposiums, certifications and donor-funded scholarships.
